

# Conference Rooms

Each conference facility has a variety of rooms divisible into various breakout configurations. Function rooms are designated by the guaranteed minimum number of people anticipated and are subject to change based on an increase or decrease from the original quote. Our facilities, depending on the location, are capable of accommodating groups of up to 450 people for banquets, 200 for classroom, and 900 for receptions.

All meeting rooms are furnished with skirted tables & tablecloths, glassware, water pitchers, pens, writing pads, and candies. Your room will be refreshed during each break and meal function. All function rooms and lobby space provide a non-smoking environment. Conference room rental rates vary from site to site.

Please note that in addition to our actual meeting space, we have lobby areas available for displays, receptions and certain meal functions.
